NOTIFICATION FOR THE PRICE INCREASE

Dear our Valued customer,

We regret to inform you for the price increase of our halogen lamp 10KW & UP.

List of Products:

JS 230V10KW / JS 120V10KW

JS 120V12KW

JS 208V20KW / JS 230V20KW

We have tried our best to reduce the cost of materials, expenses, transportation, and other to keep our current price level, however enormous increase of material cost could not be covered by our effort at this moment.

New price will be implemented from April 2018 shipment and our sales representative will inform you for the new price.

We really appreciate for our long term cooperation and hope for your understandings.

Yours Sincerely,

Company name: FUJI ELECTRIC LAMP INDUSTRIAL CO.,LTD.
